

Provider Notice

Subject: Request for Information: Residential Program Description

Magellan of Virginia is requesting that all Psychiatric Residential Treatment Facility (PRTF), Therapeutic Group Home (TGH), Early and Periodic Screening, Diagnostic and Treatment (EPSDT) PRTF and EPSDT TGH provider's submit updated Residential Program Description Forms. These forms assist Residential Care Managers with identifying program details and specialties and help them make informed referrals for a youth who is being assessed through the Independent Assessment, Certification and Coordination Team (IACCT).

The Residential Program Description form can be located on the [Residential Program Process](#) page of www.magellanofvirginia.com.

Please follow the link above to complete the form and submit by October 31, 2021. Providers who have multiple programs may submit one form for each program.
