The attestation should include all the following elements:

- Total number of facility beds;
- Number of Medicaid residents in the facility;
- Number of residents for whom the Psych Under 21 is paid by another state;
- A list of all states from whom the facility has ever received Medicaid payment for the provision of the Psych Under 21 benefit;
- A statement certifying that the facility currently meets all of the requirements of Part 483, Subpart G governing the use of restraint and seclusion;
- A statement that the facility will submit a new attestation of compliance in the event that the facility director is no longer in such position;
- Name of individual and position of individual signing the attestation; and
- The date the attestation was signed.

All annual attestation letters must be received by Magellan **on or before July 1, 2022 by 5 p.m.** Providers must submit their attestation letters to Magellan via fax at 1-888-656-5396 or via email to VAProviderQuestions@magellanhealth.com.
