

## Provider Notice

Magellan of Virginia posted a provider training titled “Considerations When Treating Dual Diagnosis Members”. It is recommended that all providers review the training. The training covers the following topics:

- Knowing what service(s) you are able to provide
- Service specific issues for dual diagnosis members
- Dual diagnosis tips for Service Request Authorizations (SRA) and Individualized Service Plans (ISP)
- Treatment Record Review tips for dual diagnosis members
- What changes will come with Addiction and Recovery Treatment Services (ARTS) program implementation
