Youth-Driven Care in Residential (live webinar)

This webinar is presented by the national Building Bridges Initiative, in partnership with the Technical Assistance Network for Children's Behavioral Health's (TA Network), at The Institute for Innovation & Implementation University of Maryland School of Social Work.

Overview

This Building Bridges Initiative (BBI) webinar is for state agency and residential leaders, other oversight agencies, residential and community stakeholders, including family and youth advocates. It will provide an overview of a range of youth-guided care practices.

Trish and David Cocoros, residential leaders from Youth Development Institute (YDI), have successfully implemented a range of youth-guided care practices. They will share:

- their journey towards improving youth engagement
- challenges they encountered, and
- how they successfully addressed the challenges

Youth from the residential program will also present their views regarding successful youth engagement practices. At the end of the webinar, there will be an opportunity for question and answer.

When: Friday, May 19, 2017

Time: 1 p.m. - 2:30 p.m.
