

Provider Notice

Magellan of Virginia posted a cultural competency training. It is recommended that all providers review the training. It covers the following topics:

- Provide a definition for cultural and linguistic competency
- Identify definition of culture
- Inform providers on primary and secondary dimensions of culture
- Encourage providers to think about how they identify their own culture
- Discuss how providers can develop diversity competence

To access the training, please visit the [2017 Provider Training](#) webpage on [Magellan of Virginia.com](#).
