

Provider Notice

Magellan of Virginia made updates to the Service Request Authorization (SRA) forms for both initial and continued stay requests for residential treatment.

The updates align with upcoming changes to residential treatment that begin July 1, 2017. There will be only one initial SRA form and one continued stay SRA form for both Psychiatric Residential Treatment Facilities and Therapeutic Group Homes. The SRA forms are available at www.magellanofvirginia.com on the [Provider Forms](#) page.

If your agency uses an approved form from your Electronic Medical Record system, please update and submit to Magellan for review and approval before June 27, 2016. The new forms are required beginning July 1, 2017.

If you have any questions, please call our customer service center at 1-800-424-4046 or select [Contact Us](#) on www.magellanofvirginia.com.
