

Provider Notice

Magellan of Virginia posted Scoring Tools to be used for the Adverse Childhood Experiences (ACEs) that is part of the Independent Certification and Coordination Team (IACCT) process. The following items will be sent to the Therapeutic Group Home (TGH) and Psychiatric Residential Treatment Facility (PRTF) by the IACCT team within one calendar day of the facility being identified:

1. Certificate of Need (CON)
2. ACEs scoring tool
3. Child and Adolescent Needs and Strengths (CANS)
4. Psychosocial

Magellan of Virginia also posted a training demonstration that reviews a sample of the psychosocial template, the Magellan CANS 2016 Outcomes Report, and the ACEs Scoring Tool. The training demonstrates how the IACCT providers will access and complete these documents. The training also explains how Residential providers will receive these documents.

The training and the ACEs scoring tools can be accessed on the [Residential Program Process](#) page on www.magellanofvirginia.com.
