

Provider Notice

Guidance for youth admitted in a Psychiatric Residential Treatment Facility or a Therapeutic Group Home prior to July 1, 2017 – Reassessment Due October 2017.

Any youth placed in a Psychiatric Residential Treatment Facility (PRTF) or a Therapeutic Group Home (TGH) prior to July 1, 2017 will need an IACCT reassessment to complete the CANS.

Residential facilities will be contacted by the IACCT LMHP to be informed of members at their facility who require an IACCT reassessment and a Release of Information. The IACCT Provider will provide the date of the reassessment and the name of the team to be included in the Release of Information. Providers may use their own release form for these purposes.

In order to facilitate this process, the PRTF and TGH provider need to obtain a release from the guardian to share information with the IACCT provider. This will allow for care coordination and the sharing of pertinent clinical information between the IACCT provider and the facility to help facilitate the member's progress in treatment.
