

Provider Notice

This is an update to the [June 23, 2017 Communication](#) which requests that all Independent Assessment, Certification, and Coordination Team (IACCT) providers submit their National Provider Identifier (NPI) in an email to Psychiatric Residential Treatment Facilities (PRTF).

In order to streamline the process, Magellan of Virginia has updated the Certificate of Need (CON) forms for PRTFs with a space for both the IACCT LMHP and the Physician to include their NPIs on the document. We have also updated the CONs for Therapeutic Group Homes. We are asking IACCT providers to begin using the new forms immediately.

The following forms have been updated:

- [Psychiatric Residential Treatment Facility Certificate of Need](#)
- [Therapeutic Group Home Certificate of Need](#)
- [Retro Psychiatric Residential Treatment Facility Certificate of Need](#)
- [Retro Therapeutic Group Home Certificate of Need](#)

We have also updated the “[Your Guide to IACCT](#)” to state that the IACCT provider and/or the physician will include their NPIs on the CON for PRTF.

All the CON forms and the updated “Your Guide to IACCT” document can be located on the [Residential Program Process](#) page on www.magellanofvirginia.com.
