

## Provider Notice

The Department of Medical Assistance Services (DMAS) is conducting live webinar training sessions on the January 1, 2018 transition of Community Mental Health Rehabilitative Services (CMHRS) into CCC Plus. This training is intended for providers of CMHRS and ABA Behavior Therapy Services. DMAS will have the CCC Plus Managed Care Organization (MCO) representation at these sessions.

The live webinar training sessions are scheduled for December 5, 6, & 7, 2017. Two sessions will occur each day. The morning session will include review of the CCC Plus Program, the credentialing process, and the continuity of care provisions for CMHRS. The afternoon session will include review of the standardized service authorization forms and authorization processes.

Registration for the training is online at the links below. DMAS will use Adobe Connect for the registration process. Training sessions have capacity limits so please arrange for group sessions to attend to limit the lines used. The training sessions will be recorded.

If you have any questions regarding these sessions or the registration process, please email us at: [providertrainingregistration@dmass.virginia.gov](mailto:providertrainingregistration@dmass.virginia.gov) or call (804) 225-4578 or 371-6327.
