

Provider Notice

This is a reminder that Psychiatric Residential Treatment Facilities (PRTFs), Early Periodic Screening, Diagnostic and Treatment (EPSDT) PRTFs, Therapeutic Group Homes (TGHs) and EPSDT TGHs are required to submit discharge information to Magellan of Virginia within one business day of discharge. Failure to notify Magellan of discharges can delay or prevent the member from accessing needed medical, behavioral health, dental and pharmacy benefits and prevents Magellan from engaging in coordination of care upon discharge. Please ensure the discharge information submitted to Magellan is accurate and complete to streamline follow up with members post discharge. For more information, refer to page 44 of Chapter 4 of the [Residential Treatment Services Manual](#) for more information.

To submit discharges to Magellan of Virginia, please go to www.magellanofvirginia.com under “For Providers” and “Provider Tools” and “Forms” and access the VA DMAS Discharge Form.

If you have any questions, please use the [Contact Us](#) page on our website or call 1-800-424-4046.
