

IACCT Provider List

Please note that if more than one provider is listed as a contracted entity for a locality, Magellan will first reach out to the locality, then the CSB, and then the private provider contracted for this service. The IACCT process must be responsive to the time sensitive needs of youth who may require residential services. Magellan expects that the Licensed Mental Health Professional (LMHP)¹ on the IACCT will reply to Magellan outreach within 24 hours to confirm whether they will be able to assist with the assessment.

¹ LMHP includes LMHP-Resident (LMHP-R), LMHP-Resident in Psychology (LMHP-RP) and LMHP-Supervisee (LMHP-S).
