## Provider Notice

### **BHE ASAM Levels of Care Service Modifications**

*This is being sent on behalf of the Virginia Department of Medical Assistance Services (DMAS)*

As a follow up to the provider notice, [BHE & ASAM Levels of Care Service Modifications](#), sent on Wednesday, May 5<sup>th</sup> 2021, DMAS is reminding providers that network participation with Magellan of Virginia and all six Managed Care Organizations (MCOs) require that providers be licensed by the Department of Behavioral Health and Developmental Services (DBHDS).

In order to maintain licensure for your agency and continue to be eligible for reimbursement from DMAS and its contracts starting July 1, 2021, **your agency must submit its service modification along with the relevant attachments to DBHDS by May 15, 2021** or it is possible that reimbursement and network participation will cease until licensure status is reinstated.
